

Order Kegs from 99 Bottles

This keg list is alphabetically by Country, then Brewery and Beer Label.

- All keg orders are subject to distributor availability. Most orders placed Tuesday afternoon arrive on or before Friday. Some kegs require longer lead times. Some beers have seasonal, rotating, or limited availability; see the Release Notes for details. Generally highly sought-after limited-release beers are first offered to taverns/bars/restaurants, and may not be available for home use. However, if you seek one of these kegs, feel free to inquire.
- A \$45 keg deposit is required with all kegs. The keg deposit is refundable upon return of keg in good condition.
- 99 Bottles has several Sankey hand-pump taps available to rent for period of 3 days. Reserve your tap at time of ordering the keg. Tap rental fee \$15, plus \$35 tap deposit. The tap deposit is refundable upon return of tap in good condition. Sorry, we do not carry Euro style taps; you will have to get these elsewhere. Peruse our keg FAQs at www.99bottles.net/beer/keg.htm for info.
- 99 Bottles Club Members receive 10% discount on the price of kegs.
- A valid credit card is required at time of order placement (card number, type, expiration date); this information will be used to pay toward abandoned kegs. Kegs will be held for 4 days from date of notification, as indicated on the Special Order Form and in the keg FAQs. Kegs that are not picked up within the specified timeframe will be considered to be abandoned. Abandoned kegs will be returned full to the distributor/brewery and the credit card on file will be charged 60% of the keg price. 99 Bottles will not be held responsible for your keg abandonment. By ordering keg(s) from 99 Bottles you agree to these terms.
